Our Services

● Daily E-Papers

Get the complete digital version (e-papers) of major Nigerian Newspapers seamlessly on your electronic devices, and enjoy the flexibility of reading your newspapers at your convenience, while saving over 75% of the current costs of print newspapers.

● Digital Archive Service

This is an innovative way to access the digital collections of past newspapers through a user-friendly cloud-based interface. Our Archive Service is best suited for libraries, educational institutions, and researchers across various sectors.

“Our unique E-Paper Solutions are especially important for learning, research and evaluation purposes.”
